FOR SALE EVERYWHERE.

# COME TO

OUR OPENING was highly satisfactory; our sales have been good, and especially have our MAIL ORDERS for LADIES' HATS, &c.—which has grown to be a feature in our trade—been brisk. Our trade, as heretofore, has its SPECIALTIES, and to these we call ATTENTION, as any specialty can be made—with

the proper advantages—a bonanza to the trade. If we can't, with the experience and time given to MILLI-NERY, DRY GOODS and CLOTHING, to furnish the STYLES and PRICES, equal in point of style and superior in prices to city markets, we ought to quit. But we will not quit. All we ask is an investigation. We cannot undertake a detailed description, because space forbids, of our large list of cheap goods, as these do not

come into our SPECIALTIES. COME TO SEE US. Our DRESS GOODS are beyond anything we have had form-erly, because our necessities for FINE STYLES and the QUAN-
